WELCOME TO M SHED

M Shed is a world-class cultural landmark set on the historic harbour side in the heart of Bristol. Holding an event with us provides unrivalled opportunities for your clients, guests or team members to experience something unique and inspiring.

Our flexible Events Suite takes pride of place on the top floor and offers a number of room options, all with access to the rooftop terrace. In addition to this our Studios offer a more informal environment for your events, perfect for smaller meetings or syndicate space. Along with our spacious foyers, all feature spectacular panoramic views over the harbour and cityscape offering your guests the best view in Bristol! Bristol's flagship museum has been designed to retain the character of the former 1950's transit shed but with the addition of extensive hospitality facilities suitable for both corporate and private events. We have the perfect event solution for small boardroom meetings to large conferences, grand corporate banquets, weddings and parties for any occasion.

"I would like to thank you and your team for hosting us so well. All the arrangements were excellent and the venue splendid. I would also like to thank the event team on the day who provided responsive and very helpful service on the day. You are the most professional venue team we have worked with."

"The service we received was absolutely first rate. You were flexible, courteous, and really helpful and nothing was too much trouble. The food and refreshments were so good, and very well presented. I work in venues across the country and this was some of best service I have received."

YOUR EVENT AT M SHED

The Events Suite is a very versatile space which can be used as one large events space, or divided into two or three independent suites.

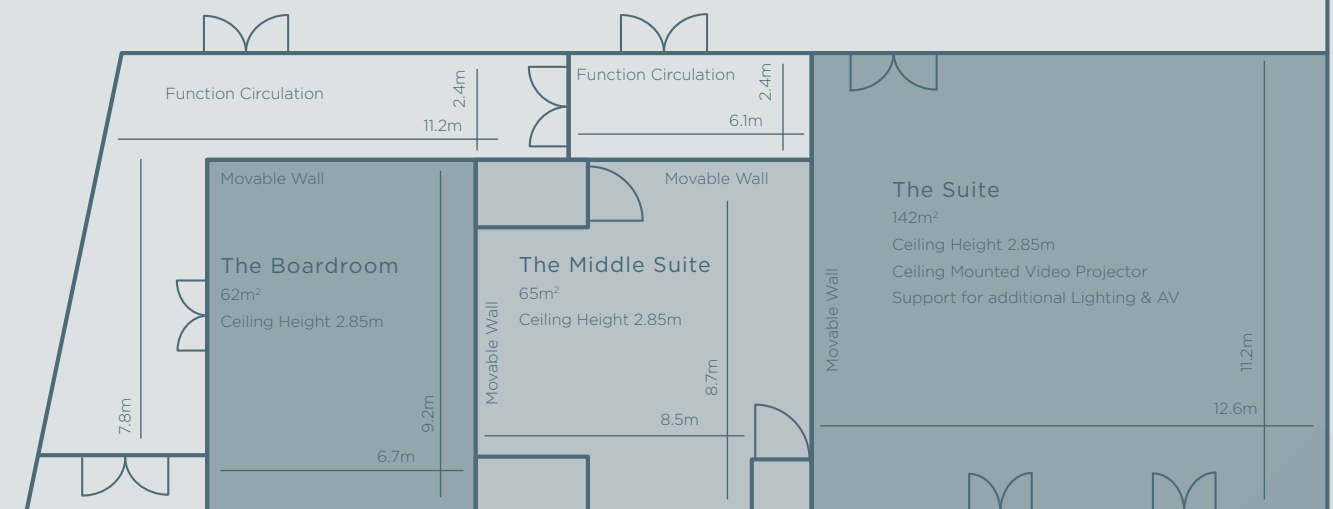

The Events Suite features a range of integrated audio visual solutions, including two data projectors with screens and a sound system with a range of microphone options. Creating the right mood is easy with our atmospheric lighting system - featuring pin spots, down lighters and feature LED's which can change colour to suit your event.

"Thank you and your team for their help and support for our event. Everything went incredibly smoothly, nothing was too much trouble for them, and the fact that they were on hand and able to help quickly and efficiently with all those last minute things meant we could concentrate on our delegates. We loved the catering and so did our guests! We couldn't have asked for better!"

"Everything worked out as planned, the drinks reception with live music and private viewing of the gallery was immensely enjoyed by all, as was the service provided by all the M Shed staff. The venue was perfect for eating and dancing and the food was delicious! I have had quite a lot of letters from friends who have all mentioned how perfect the choice of venue was and how much they enjoyed every aspect of the evening, which you all must take a great deal of credit for. Please pass on my sincere thanks to all for making it such a memorable event."

"We had the most wonderful event at Bristol Museum. The staff were all very cheerful and helpful, and made sure everything ran smoothly. The buffet was delicious and there was plenty of it for all our 300 guests! The staff were so professional, organised and delightful to work with. We are so pleased we chose to have our event at Bristol Museum. It is a unique and stunning venue, and many of our guests commented on how beautiful it was."
