

Compass Group UK & Ireland provides a range of support services to our clients. Our HSE policy forms an integral part of our business plan and is central to our strategy for the future. We recognise that great health, safety, environmental practices and quality management contribute to great people delivering great services.

Compass Group, UK & Ireland
HSE Policy Statement

Our Aims

Our aims are simply stated:

- Promotion of health
- No harm to people
- Minimise our adverse impact on the environment wherever possible
- No incidents
- Enhancement of the communities and environment in which we work
- Continual improvement beyond legal and corporate compliance

Everyone who works for or on behalf of Compass, anywhere, is responsible for ensuring his or her actions are consistent with these aims. Getting HSE right is critical to the wellbeing and welfare of our people, to the environment and to the success of our business and that of our clients.

Our Objectives

- Continue to support and develop our people and associates within a culture of ownership and responsibility
- A clear recognition that all incidents are preventable
- To comply with all relevant safety, food and environmental legislation and to support our clients in their legal compliance
- To understand, and control environmental impacts associated with our activities, products and services through the management of water, energy and waste and the prevention of pollution
- To consult with our employees, clients and partners to identify and continuously reduce the risks to those affected by our work activities
- Foster improvement programmes within our supply chain
- Commit to continual improvement in HSE performance to improve standards and add value to our services
- Open and timely monitoring, measuring and reporting of our objectives, targets and performance
- Communicate, implement and maintain this policy at all levels of the organisation and make it available to all interested parties

As Managing Director I am wholly committed to these aims and objectives and will ensure adequate and appropriate resources are made available to implement and review this policy.
